

PREPLANNED MOVING GUIDE

The PrePlanned Moving Guide offers an established timetable to help prepare for a relocation.

Customer satisfaction is our #1 concern.

Stress and anxieties are reduced.

A handy glossary of terms used within the moving industry is included in this Moving Guide.

With so many details to keep in mind, you are provided with comprehensive information to help guide you through a potentially stressful time. Also see *Steps Of A Relocation*.

The key to every successful move is preplanning!

It is important to us to help our clients understand the move process from start to finish. The information provided in the relocation packet helps you to obtain a high level of understanding and confidence to manage your move effectively.
